Lot Chair:

The current date at AutoClub Speedway for September coincides with National's. The Speedway and El Toro have already booked all other dates for September. The lot chair is still looking. If no other location is available, those members going to Nationals can use their average for this event

Novice Coordinator:

No Report.

Equipment Report:

Under the Treasurers report, Craig stated that the timing motorhome now officially belongs to CSCC. It was suggested a small committee of qualified members be appointed to re-design the interior of the motorhome to better suit CSCC

The new tires for the motorhome have been purchased.

CSCC needs to replace the fire bottles. Equipment manager has been authorized to purchase them

Jeff Kiesel has donated new 100' speaker cables. Thank you Jeff

Timing Report:
No Report

Rules Committee:
No Report

Divisional Report:
Event Chair Jayson Woodruff had a meeting with the Divisional Chiefs prior to the Committee meeting.

Old Business:
FSAE West event has been touted the best. FSAE has sent their thanks for a job well done to all those who help make it a success. The Cal Poly Team placed 5th overall. The following suggestions were brought to the table to make the next event better:
Keeping the timing motorhome farther behind the start/finish so it is not in the line of sight of the spectators and crews
Have a photographer's check-in table to explain the regulations. Many of the photographers at this event moved from the designated area and potentially into harms way. A notice should be put on the next flyer for the event

New Business:
The next event is The Night of the Living Dead August 16. Tom Phillips is the Event chair. Flyer should be posted by 7-21 or 7-22
CASOC Rep, George Schilling, noted that there were only 2 teams that signed up for the Team Challenge. There was a discussion regarding better promotion to all the teams and a possible board at the motorhome with the registered team listed the day of the event. Further discussions to be announced.

Meeting was adjourned at 8:35 PM.

Respectfully submitted,

Tom Phillips
